The Brigade Group is one of India's leading property developers with over three decades of expertise in building positive experiences for all stakeholders. Instituted in 1986, the company has developed many landmark buildings and transformed the skyline of cities across South India, namely – Bengaluru, Chennai, Hyderabad, Mysuru, Kochi, Mangaluru, Chikmagalur, and also has a presence in GIFT City, Gandhinagar in Gujarat, with developments across the Residential, Commercial, Retail, Hospitality and Education sectors. Since its inception, Brigade has completed 275+ buildings amounting to over 80 million Sq.ft. (7.45 million Sq.m.) of developed space across a diverse real estate portfolio. Brigade assures best-in-class design and top-of-the-line facilities that exude elegance and sophistication. The Residential developments include villas, villaments, penthouses, premium residences, luxury apartments, value homes, urban studios, independent living for seniors, plotted developments and mixed-use lifestyle enclaves and townships. Over the years, the projects have been one-of-a-kind in the sector, for example Brigade developed Brigade Gateway, Bengaluru's first lifestyle enclave and Brigade Exotica, one of the tallest residential buildings in Bengaluru.

Brigade is among the few developers that also enjoys a reputation of developing Grade A Commercial properties. License owners of the World Trade Center across South India, the Group's commercial spaces have top international clients operating out of them. Brigade also entered the co-working space with 'BuzzWorks' in March 2019.

Brigade Retail's first venture was the iconic, world-class Orion Mall at Brigade Gateway, subsequently expanding with Orion Avenue and Orion Uptown. Brigade's Hospitality offerings include star hotels, recreational clubs, convention centres and The Baking Company, a unique patisserie. Brigade is the founder of The Indian Music Experience (IME) – a monumental and philanthropic initiative that is India's only hi-tech interactive music museum. It was conceived to give back to society and sensitise the present generation to the rich culture of Indian music. The Group contributes in numerous ways towards community development, health, education, and the environment. Through the Brigade Foundation, the brand has successfully opened three schools in its name, offering a holistic education; has conducted large-scale tree plantation drives; spruced up parts of the city; revived public recreational spots like lakes and parks, established a skill development centre; and will be establishing two not-for-profit 100-bed hospitals.

Brigade Real Estate Accelerator Program (REAP), Asia's first PropTech accelerator program, is a prelude to the changing trends in the real estate industry, which is standing on the cusp of disruption. REAP brings along innovators and inventors to use technology as a catalyst for creating sustainable and scalable businesses in the real estate industry. The 'Great Place to Work Institute' has consistently recognised the Brigade Group as one of India's best companies to work for in the real estate industry. This responsible attitude and innovative mindset combined with uncompromising quality of the projects over the years has created a brand of outstanding repute.
